GRAPHIC WEB DESIGNER

## WORK EXPERIENCE

### Indygreen Technologies

1st September, 2025 - Present

As a Graphic Web Designer and SEO Specialist at Indygreen Technologies, I design engaging visuals, develop responsive websites, and optimize content to improve brand visibility, user engagement, and search engine performance.

### Concept PR

15th November, 2024 - 27th July, 2025

As a graphic designer at the Ministry of Finance, I create visually compelling and impactful graphics to effectively communicate financial data, policies, and initiatives. I ensure that designs align with the ministry's branding and deliver clear, professional visuals for internal and public-facing materials.

### Highxbrand India Pvt. Ltd.

17th October, 2023 - 7th November 2024

As a frontend web developer at HighXBrand India Pvt. Ltd., I develop user interfaces, ensure responsiveness, optimize web performance, and collaborate with designers and backend developers to deliver seamless web experiences.

### Drow Digital

August, 2023 - October, 2023

As a Graphic Designer at Drow Digital, I'll create visually appealing digital and print designs, collaborate with teams, and ensure brand consistency. Proficiency in design tools like Adobe Creative Suite and the ability to manage multiple projects are key to success in this role.
